Catalyze Retail's AI Revolution with Qualcomm Technologies

Qualcomm Technologies has revolutionized the retail industry and beyond with our cutting-edge technologies. Come visit our booth at NRF 2025 to discover how—in collaboration with our industry-leading partners—our game-changing AI, IoT, and edge computing solutions are transforming operations and redefining customer experiences. This guide highlights our ecosystem partners we could identify on the NRF exhibitor list—and we're sure we've missed a few.

Visit us on Level 3 of the Jacob K. Javits Convention Center.
