

Snapdragon® 7s Gen 3
Mobile Platform

Partner Quote Sheet

Realme

"With Snapdragon 7s Gen 3, we are excited to bring our users remarkable performance, but also enhanced AI and gaming experiences," noted Chase Xu, Vice President and CMO at realme. "We are excited to continue this strong collaboration with Qualcomm Technologies."

Sharp

"Our ongoing relationship with our partner, Qualcomm Technologies, enables us to incorporate pioneering mobile technologies in our offerings," stated Masaaki Nakae, General Manager of the Personal Communications Division at Sharp Corporation. "The integration of the Snapdragon 7s Gen 3 in our forthcoming products will give our users the innovative mobile experiences they are looking for."

Xiaomi

"Our collaboration with Qualcomm Technologies has never been stronger and we are thrilled to be the first to adopt Snapdragon 7s Gen 3 in an upcoming mobile device," said Thomas Wang, General Manager of Redmi at Xiaomi. "The Snapdragon 7s Gen 3 sets new benchmarks for performance in its class and we are excited for our customers to experience its extensive capabilities, including advanced on-device AI, engaging gaming experiences, and stunning photography."
